

MOBI Distribution

Premium Used Phones

The first B2B platform for buying used high-tech products

Our Vision

◆ We make buying phone in bulk easier ◆

Our Objectives

- 01** All-in-one: an intuitive online platform to take advantage of the best offers on the market
- 02** Trust & reliability: all orders are received in our warehouse in France to be tested and verified
- 03** Wide range of products: a large choice of certified products to buy wholesale

How It Works?

6-step process:

- 1 Browse all available offers filtered by warehouse
- 2 Make offers on the inventory you need
- 3 Our team will accept or make you a counter offer
- 4 Validation of your order
- 5 Control and certification
- 6 Shipping of your order

Delivery: 4-5 working days maximum

User Interface

Our platform allows you to:

-  Make offers on available stock
-  Check the status of your offers (accepted, counter-offer...)
-  Validate your order and follow its shipment
-  Download your invoices online 24/7

Grade A+ (Pristine)

Appearance: Flawless at first glance

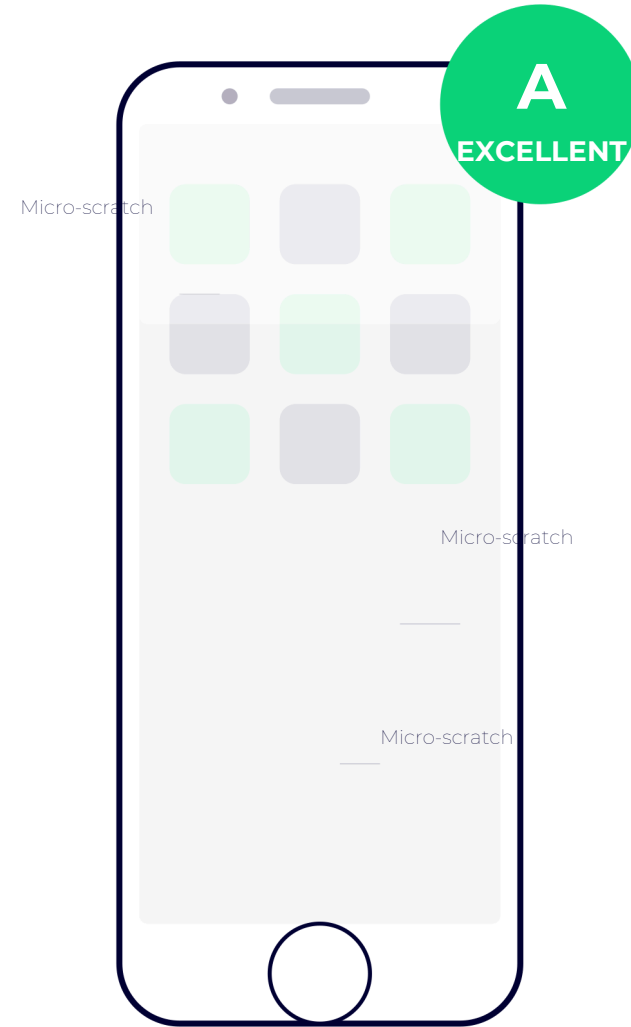

- ✓ Screen: Very few, if any, faint scratches only visible upon close inspection or viewing/rotating under light
- ✓ Housing/bezel: Very few, if any, minor blemishes only visible upon close inspection

Grade A (Excellent)

Appearance: Excellent

- ✓ Screen: Few, faint small scratches, only visible upon close inspection or viewing/rotating under light
- ✓ Housing/bezel: Few, faint small blemishes only visible upon close inspection

Grade AB (Very Good)

Appearance: Lightly used

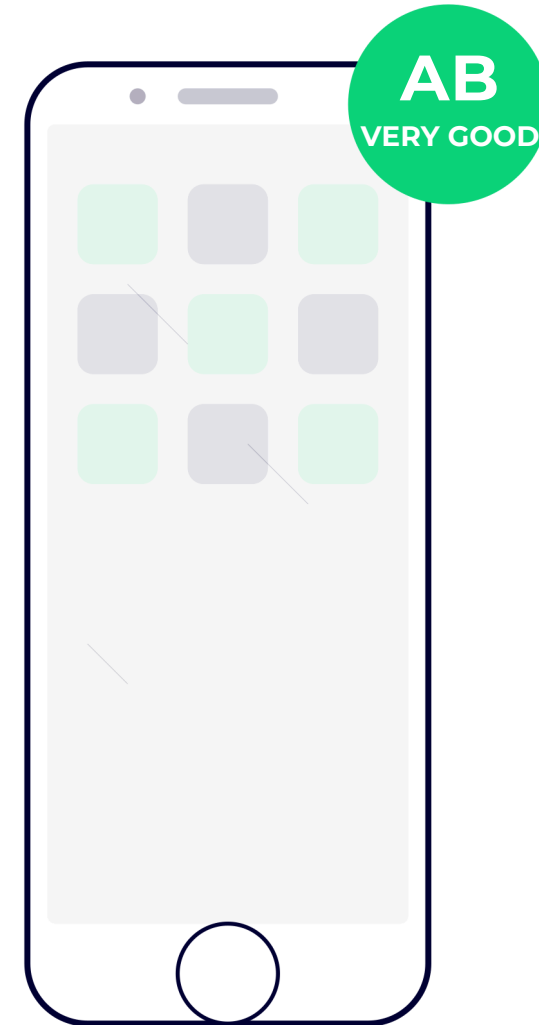

Screen: Few to several faint small scratches, only visible upon close inspection or viewing/rotating under light

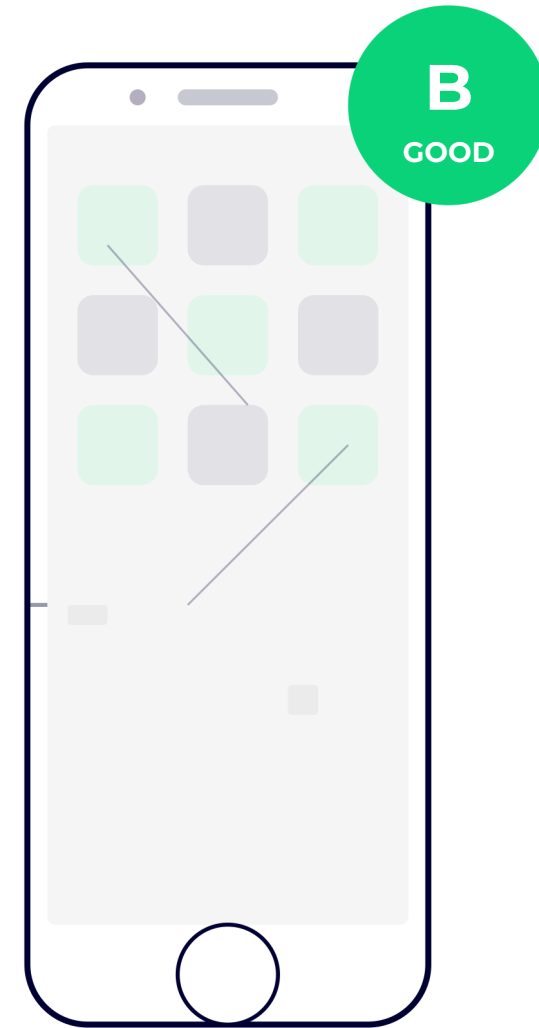

Housing/bezel: Several blemishes (scratches, scuffs), visible upon quick inspection

Comparison: Compared to the A grade, the screen might show slightly more signs of use, and the housing will show more signs of use

Grade B (Good)

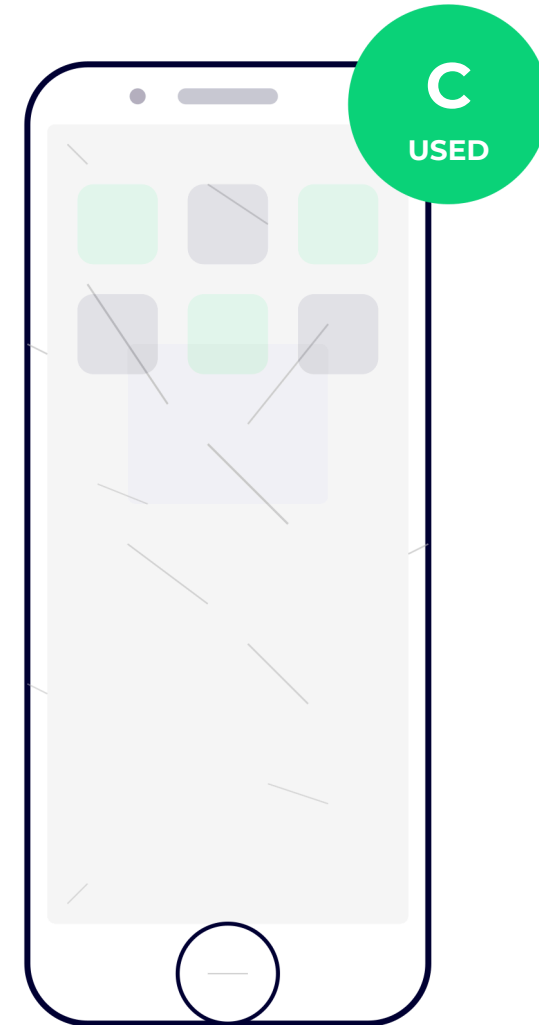

- ✓ Appearance: Used
- ✓ Housing/bezel: Several blemishes (scratches, scuffs) visible upon quick inspection
- ✓ The screens on the B grade will show more signs of use compared to the AB grade

Grade C (Used)

Appearance: Heavily used

- ✓ Screen: Extensive, pronounced scratches, easily visible upon quick inspection
- ✓ Housing/bezel: Extensive, pronounced blemishes (scratches, scuffs), easily visible upon quick inspection

Technical Specifications

Battery Health >80%

Every device's battery is tested to ensure a minimum of 80% capacity retention compared to new standards.

Global Compatibility

All our phones are compatible with all major networks worldwide.

32-Point Testing

Each device undergoes a comprehensive 32-point technical inspection covering hardware functions, sensors, and connectivity.

Quality Control

Tests & Reports

Each device undergoes a complete battery of technical tests. Our experts prepare a detailed report that accompanies each product.

IMEI Recording

We record the IMEI of each device to ensure complete traceability throughout the purchasing and reselling process.

France Warehouse

Our warehouse in France centralize all quality control operations, with state-of-the-art equipment and certified technicians.

Certification

Each order receives a certificate of conformity attesting to the complete verification process and compliance with our quality standards.

Our Experience

Circular Economy

Specialized in circular economy for several years with recognized expertise.

Regional Leader

One of the largest supplier of used and tested iPhones in Europe.
